

RPS-500

Fixed height mobile stand

The RPS-500 mobile display stand provides the stability and flexibility required for today's videoconferencing needs. The RPS-500 supports a single display up to 75" or dual displays up to 70". The adjustable rack shelf provides 10RU of space and the adjustable-height camera shelf allows maximum control to position the camera above or below the display.

The RPS-500 offers custom display mounts for the Cisco® Webex Board 55 and 70. The RPS-500 also offers an adjustable-height mounting model as part of AVTEQ's DynamiQ™ series.
