### 3. Instructions

#### 3.1. DH301B Bluetooth Wireless Headset

1	Volume + / Previous track	4	Call button	7	USB-C Port
2	Mute button	5	Power/Bluetooth		
3	Volume - / Next track	6	Busylight		

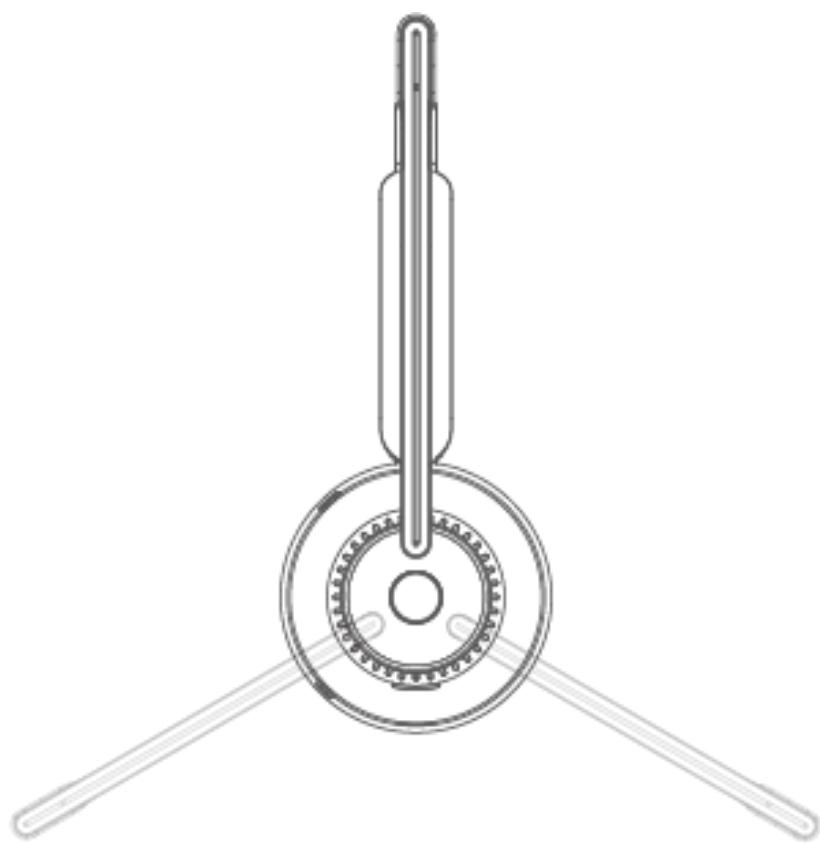

## 4. How to Use

### 4.1. Wearing Instructions

Adjust the headband to a suitable angle and wear the headset on your preferred ear (supports left or right side).

Position the T-shaped support above the opposite ear for a secure and comfortable fit.

For optimal call quality, lower the microphone and adjust it close to your mouth.

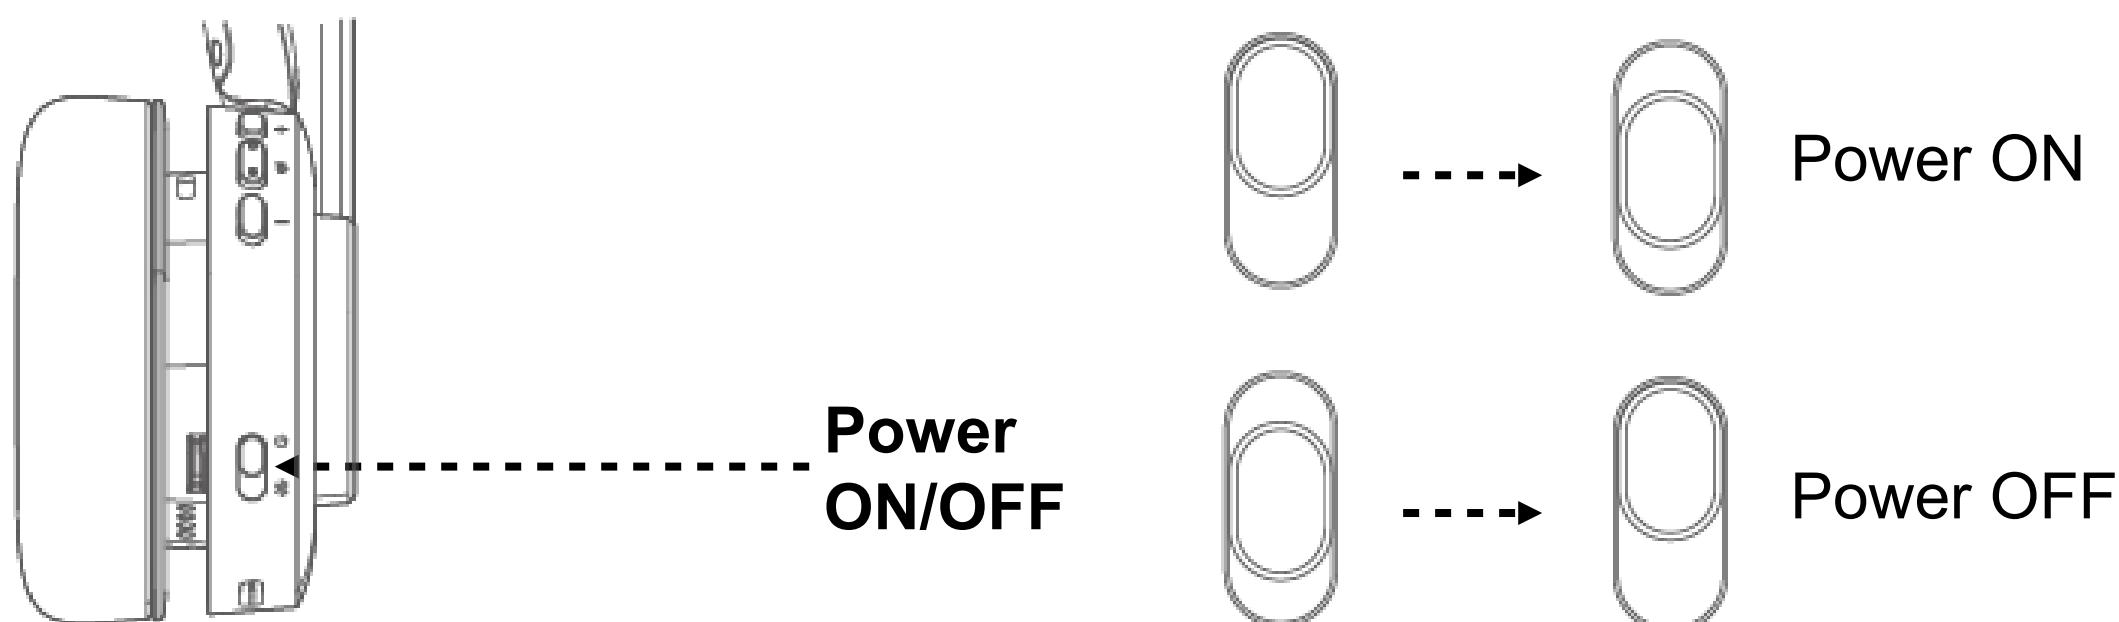

### 4.2. Power ON/OFF

Push the power switch up to turn off the headset when it is on.

Push the power switch down to turn on the headset when it is off.

The Busylight will turn on accordingly.

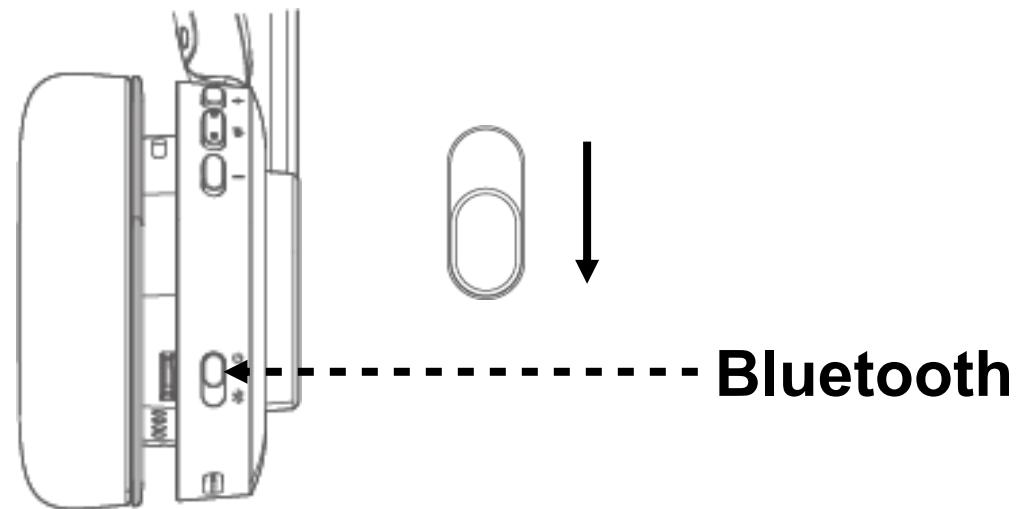

## 4.3. Bluetooth Pairing

### 4.3.1. Pairing

Push the power button down fully and release to turn on Bluetooth and enter auto-reconnect mode.

Push the power button down fully for 1.5s to enter pairing mode.

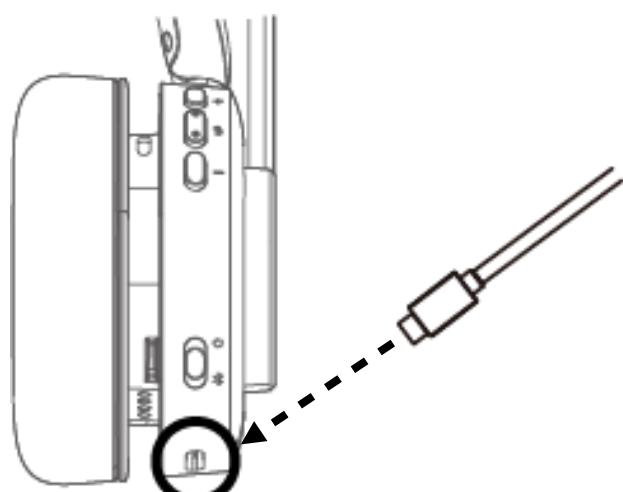

### 4.3.2. LED Indicator

Event	Busylight	
Reconnected	Solid Blue 3s	
Pairing	Flashing Red & Blue	
Connected	Solid Blue 3s	
Disconnected	Flashing Blue 5 times	

## 4.4. USB Mode Connection

Connect the headset and device using a USB cable, supporting both charging and calls simultaneously.

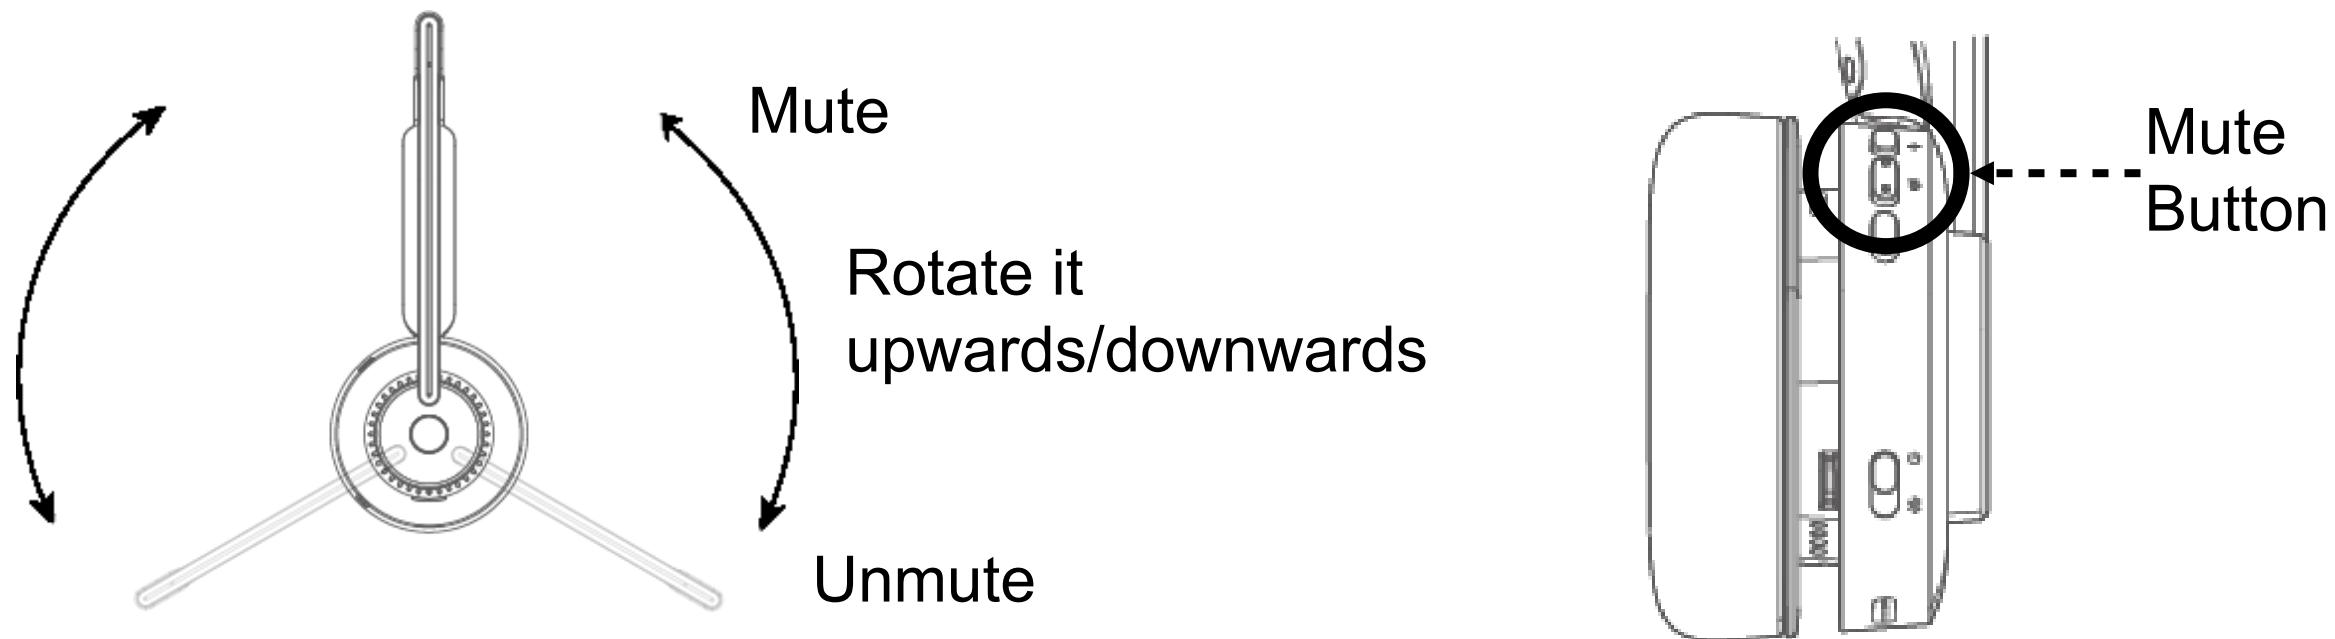

## 4.5. Mute Control

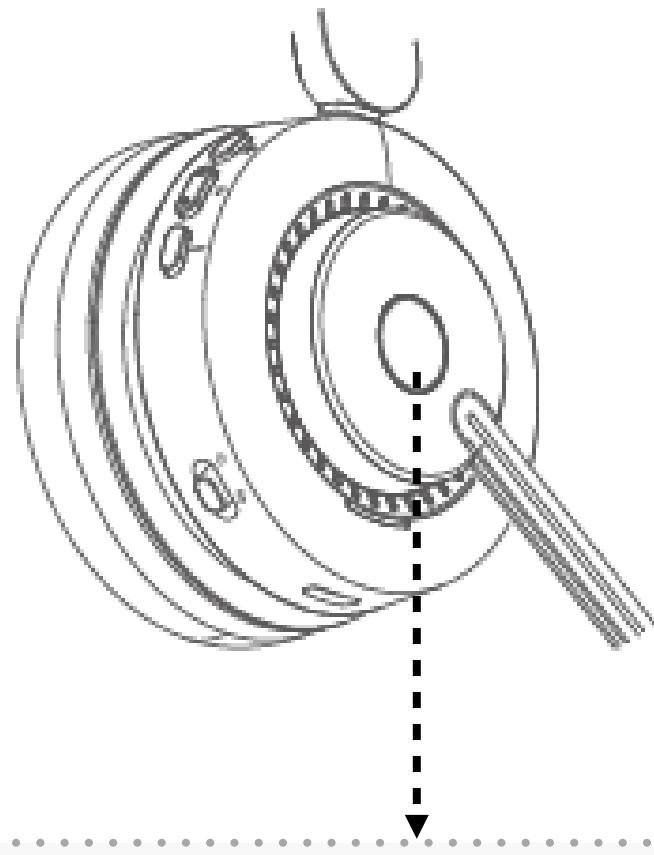

When the mic boom is in its initial position (vertical to the headband), the microphone is off. Rotate it down beyond  $\pm 30^\circ$  to turn it on; when on, rotate it up beyond  $\pm 30^\circ$  to turn it off.

Additionally, you can also mute or unmute the microphone by pressing the mute button once.

If muted during a call, a reminder of the mute status will be given every 5s.

## 4.6. Call Button

**Play / Pause**

Press

**Answer / Hang up**

Press

**Reject call**

Double-press

**Hold / Unhold call**

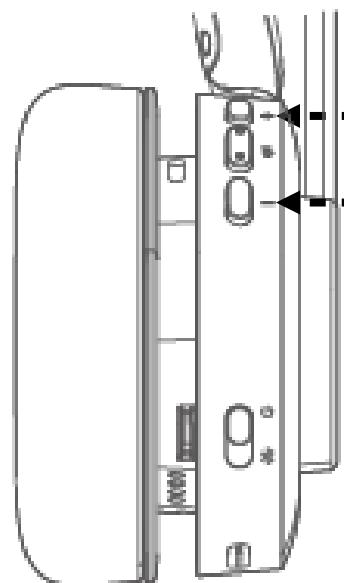

Press for 1.5s

**Redial**

Double-press

## 4.7. Busylight Control

Simultaneously press and hold the Volume +/- buttons for 2s to turn on/off the Busylight.

Notes: When the busy light is turned off, no light indicators will be shown during use. After restarting the headset, the busy light will turn back on by default.

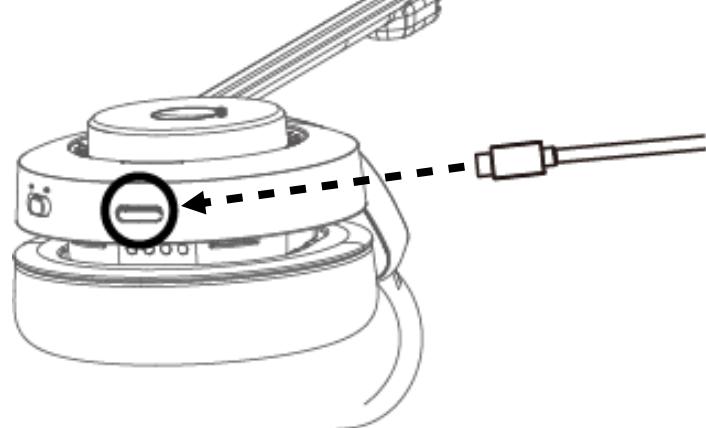

## 4.8. LED Indicator

Event	Busylight	
Headset power ON	Solid Green 3s	
Headset power OFF	Solid Red 3s	
Incoming call	Flashing Red	
In call	Solid Red	
Hold call	Flashing Red	
Battery below 20%	Flashing Red 5 times	

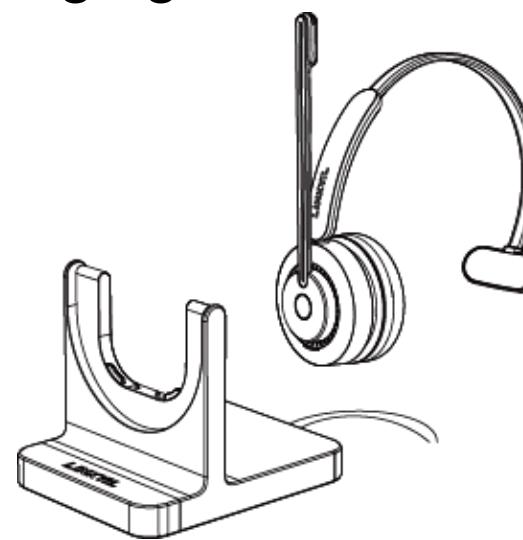

## 5. How to Charge

Connect the USB cable to a charging adapter or computer to charge.

You can also charge the headset by using the charging stand.

**USB Charging**

**Charging Stand**

Event		Headset Busylight	
Start charging	Battery below 20%	Flashing Red	
	Battery below 80%	Flashing Green	
	Battery above 80%	Solid Green	
Stop charging	Battery below 20%	Flashing Red 3s	
	Battery below 80%	Flashing Green 3s	
	Battery above 80%	Solid Green	

**Note:**

When the power of the headset drops below 20%, there will be sound notifications.  
Please charge DH301B as soon as possible.
